### **Tech Titans Names Angela Venuk, CIO and Datascan, a Finalist for the Emerging Company Award**

Angela Venuk, CIO and Datascan, has been named a finalist in the **Emerging Company** category of the 2024 Annual Tech Titans Awards, presented by University of Texas at Dallas. The awards will be announced on September 20<sup>th</sup> at the annual awards presentation at the Renaissance Addison, Texas hotel from 5 – 9 pm.

Tech Titans annually recognizes individuals and companies from North Texas for their excellence and achievement in technology. The finalists are transforming the high-tech industry through innovation and giving companies a competitive edge in North Texas and around the world.

“Tech Titans congratulates Angela Venuk and Datascan on being named a finalist for this year’s award,” said Paul Bendel, Executive Director of Tech Titans. Datascan is among a group of companies that went through a rigorous review by the Tech Titans Awards Judges to this point of being named a finalist. We look forward to announcing the award recipients and celebrating their achievement as well as the achievements of all our finalists at this year’s awards presentation.”

“Thank you, Tech Titans, for recognizing the accomplishments of Datascan's technology team. We are a small yet mighty team that partners with our business leaders to be innovative in the inventory services industry. Our people and our culture are the cornerstone of our success,” said Angela Venuk, CIO at Datascan.

In addition to the Presenting Sponsor, The University of Texas at Dallas, the 2024 Tech Titans Awards Gala sponsors include BGSF, Dallas College, Qorvo, HumCap, BravoTECH, Ericsson, Deloitte, Turbo Start, CornerStone Tech Talent, SMU Global Online, Collin College, RISD, Amazech, the City of Richardson, Comerica Bank and Moss Adams.
